

**33rd SYMPOSIUM
ON FUSION TECHNOLOGY**
SEPTEMBER 22-27, 2024 DUBLIN, IRELAND

33rd Symposium on Fusion Technology SOFT 2024 - HYBRID EDITION

DCU
Ollscoil Chathair
Bhaile Átha Cliath
Dublin City University

The event is organised by Dublin City University and the National Centre for Plasma, Science and Technology Ireland.

SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

22nd – 27th September 2024,
The Helix, Dublin City University, Ireland

The image shows an exhibition booth for 'SECURE CONCEPT INTELLIGENCE'. The booth features a large black wall with the company name in white and red text. A red laser light pattern is projected onto the wall. In the foreground, there are several white and red display units. The booth is located in a modern, well-lit exhibition space with large windows overlooking a cityscape.

Present your company at the largest bi-annual international gathering of Fusion Technology Professionals

**>1000
Delegates**

30 Countries

15 Exhibitors

Welcome Address

We cordially invite you to participate in the 33rd Symposium on Fusion Technology (SOFT 2024), which will be held in Dublin City University, Ireland from 22nd to 27th September 2024. The event is organised by Dublin City University and the National Centre for Plasma, Science and Technology.

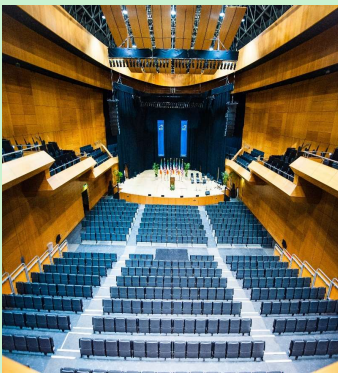

The biennial symposium on fusion technology is the most important conference in this field in Europe, bringing together scientists, engineers, industry representatives and exhibitors from all over the world and focusing on the latest developments in fusion experiments and activities. SOFT 2024 will include invited, oral and poster presentations, as well as industry and R&D exhibitions and it will be held at the Helix, Dublin City University. Dublin is the vibrant capital city of Ireland.

SOFT 2024 is hosted as a hybrid event. The Fourwaves platform will be used for the online part of the conference, some useful tips can be found [here](#).

We look forward to meeting you in person or remotely at SOFT 2024

Prof. Miles Turner,
Chair of the International Organising Committee

Topics

- A. General Reviews for DEMO, Power Plants and Plant Systems
- B. Experimental Devices and Facilities for Fusion Research
- C. Plasma Heating and Current Drive
- D. Plasma Engineering, Plasma Control, and CODAC
- E. Diagnostics
- F. Magnets, Cryogenics and Electrical Systems
- G. Plasma-Facing Components
- H. Vessel/in-vessel Engineering and Remote Handling
- I. Fuel Cycle and Breeding Blankets
- J. Materials Technology
- K. Safety and Environment, Socio-economic studies and Technology Transfer
- L. Non-magnetic and alternative fusion technologies

Eliza Koslinski, Conference Secretary, DCU
Marie Leahy, Comms and Marketing, DCU
Deborah O'Connell, Co-chair and Director of NCSPT, DCU
Miles Turner, Co-chair LOC and Head IOC, DCU

THE VENUE

The SOFT 2024 will be held at The Helix, Dublin City University, Ireland.

Dublin is the famously vibrant capital city of Ireland bursting with a variety of surprising experiences, where city living thrives side by side with the natural outdoors.

Beyond Dublin, Ireland has some of the most beautiful scenery in Europe, seen for instance in the Wild Atlantic Way and one of Europe's most ancient cultures: The famous passage tomb at Newgrange is older than the pyramids.

Sponsorship packages SOFT 2024

See how you can get your company in front of hundreds of fusion technology professionals

GOLDEN 16,500 EUR

SILVER 11,000 EUR

BRONZE 6,600 EUR

****PRICES ARE NET AMOUNTS, VAT (23%) IS EXCLUDED**
DEADLINE FOR SPONSORSHIP OPTION: 30 June 2024.
